

Open Call

Call for awareness team members for *transeuropa 2024 - making space!*

The transeuropa festival is a festival of performing arts for the young European scene that takes place every three years. This year it will take place from 11th to 15th September in Hildesheim.

The motto of the eleventh edition is: "Making Space".

We are looking for people who want to be part of our awareness team. You do not need to have any previous experience. There will be a workshop and a briefing.

Where does awareness work need to be done?

- at the venues of the different productions
- at the festival centre
- at parties and other events
- at post performance discussions

You should have a place to stay in Hildesheim or the surrounding area from 11-15th September. However, we do not expect you to work for the festival every day! If you can join us later or are not able to stay until the end, please contact us.

You should also have time on 2nd September from 04:00-08:00 pm to take part in the training for our awareness team. This will take place at the *platzhalter* (Almstraße 16, 31134 Hildesheim).

In return for your support, you will receive

- an expence allowance for every hour you work at the festival
- free food
- a free awareness workshop from an awareness organisation
